The above-identified application went abandoned on or about June 13, 2006. Applicants' representative checked the file history of the case and determined that, even though Applicants had intended to submit an Amendment in response to the non-final Office Action dated December 12, 2005, no such Amendment was submitted. Applicants now submit the Amendment they intended to file on or before June 12, 2006, and this Petition to Revive.

Pursuant to the requirements of 37 C.F.R. § 1.137(b)(3), Applicants state that the entire delay from June 13, 2006 (last due date for submitting Applicants' Amendment under 37 CFR §1.116, with 3 month EOT Fee) to August 23, 2006 (date of the present petition) was unintentional.
